At the ACS Fall 2023 Meeting in San Francisco, CA, the ACS Council approved the Petition to Add International Representation on the Board of Directors, with 88% of the voting Councilors in favor. The ACS Board of Directors also supported the petition, intended to provide a voice and a vote on the Board for our international members, ensuring inclusion of all members with no impact to the current processes on selection, election, and representation of the Districts I - VI. Because the petition would change the ACS Constitution Article VII, Sec. 1, (b); Sec. 3, (c), it will not become effective unless ACS Members approve the proposed revisions to the Constitution by a two-thirds vote.
